Did you know that IT and electrical items must be recycled or reused rather than thrown away as rubbish?

DERWENT
LONDON

Secure Paper is working with Derwent London to help you meet your legal requirements: we accept all kinds of IT and electrical goods for reuse and recycling. Does it have a plug? If the answer is yes, then we can collect it. For your complete peace of mind, all data-bearing equipment is wiped as standard.

• PCs, Laptops and Servers
• Printers and Faxes
• Cables and Peripherals
• Monitors, TVs and White Goods

For a competitive quote on clearances of old IT and electrical items, call us today on **020 7407 9100** or email **helpdesk@securepaper.co.uk**.

Trust Secure Paper's compliant service - we are NAID and BSIA registered, and use government approved data-wiping software, Tabernus.

The IT Asset Disposal Journey

1 **We collect**　　**2** **We wipe**　　**3** **We prepare for reuse & recycling**　　**4** **We provide a Certificate of Destruction**

The Service

IT Crate – Cost effective for clearing mixed IT, cables, keyboards and mice.

IT Roll Cage – Ideal for removing IT from multiple locations and for clearances.

IT Clearance – For single pieces, up to complete clear-outs, we can also collect loose IT equipment.
